

## ***Palm Sunday 2024***

### ***My God, my God, why have you abandoned me/us? (Ps. 22:2)***

On this Palm Sunday, of Holy Week we celebrate one of the most important church days of the year. We feel the pain of our world, the tragedy of war in Ukraine, Gaza, unrest and desperation in Haiti and Sudan.

On one of the most important Church days of the year, yet we feel that so much is happening so fast. Our emotions and reactions appear spontaneously negative- fight, hurtful words, flight, slander and half-truths. In the Palm Sunday's Gospel we will walk with Jesus as we are presented with a fore taste of what was to come later that Passover week. *Lord help us walk this valley with You.*
